Spectacle Makers*

Dear Colleague,

We write to you today to announce an initiative to boost the SMC charity.

THE WCSM 100 CLUB

Run in the way of many other club and charitable fundraising lotteries, the club membership will be by ownership of shares. Initially limited to 100 shares of £100, membership will be paid by bank standing order, automatically renewed annually until the unlikely event that you cancel. It will be restricted to Liverymen, Freemen and their immediate families. At this stage, applications may be made for one share only per named shareholder – who must be 18 years of age or over.

There will be two draws in the first year, in June and December. In June there will be six prizes of £250 each, in December one star prize of £1000 and six of £250. Only those who have paid their subscriptions for the year can be entered into the draw.

You not only get great rewards, you get peace of mind too that you are truly backing the charity you once pledged to support, which has the objective of preventing and treating visual loss.

To join simply complete the enclosed membership application form and return it to the Clerk.

The best way of contributing is to complete the bank standing order form which will allow your subscription to be renewed each year without any effort on your part. That way, you will never miss a draw!

This is something new and modern for our Company and as promoters we are starting small but with your help and enthusiasm we aspire to grow. Let's hope the Lottery's second year will see it evolve into the 200 club. A win win situation!

Good Luck!

David & Rosalind Kirk (Liverymen)
